

GET in GEAR

Explore a career in the skilled trades

Check out the **Get in Gear** program at The Centre for Skills Development & Training in Burlington. This free program gives you a chance to try the skilled trades, and build the confidence to choose a job that is right for you.

Get in Gear is for you if you are

- 17 to 30 years old
- eligible to work in Canada
- not attending school full-time (no high school diploma required)
- not collecting Employment Insurance

You will

- try out the skilled trades through in-class and in-shop training
- learn the skills to find work and succeed in today's job market
- build teamwork, leadership and communication skills
- be paid to attend the program

Come to an information session and complete an interview to see if you are a good fit for the program.

There aren't many spots in Get in Gear, so contact The Centre for Skills Development & Training to register for the next information session.
